Dear Members of the Inspector General Community:

As the Inspector General for the Commonwealth of Massachusetts and a proud member of the Association of Inspectors General (AIG), I cordially invite you to attend the AIG's 2016 Fall Conference, which will be held in Boston from November 16 to November 18, 2016.

As you may know, the AIG was established on October 26, 1996 in Philadelphia, and it is my pleasure to host next year's conference, which will commemorate the 20th anniversary of the organization. We are planning a robust slate of speakers who will discuss emerging topics, current strategies and best practices for making government more transparent, accountable and ethical. The conference will also provide valuable opportunities for networking and collaboration among members of the inspector general community.

We have selected the Hyatt Regency Boston for the conference. The hotel is conveniently located in downtown Boston, steps away from restaurants, shops, theaters and Boston's many historical sites.

On behalf of the Association of Inspectors General, I sincerely hope you will attend the 2016 Fall Conference in Boston, Massachusetts. I look forward to seeing you.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Glenn A. Cunha".
