I. PURPOSE

- a. The purpose of this policy is to establish the minimum qualification standards for admission into each of the Inspector General Institute® programs.

II. DEFINITIONS

- a. **Assistant or Deputy Inspector General** shall mean a senior level executive who reports directly to the Inspector General and who can stand in for the Inspector General during their absence.
- b. **Assistant or Deputy Legal Counsel** shall mean a bar-licensed legal counsel that provides substantive legal advice on Inspector General investigations, audits or inspections.
- c. **Audit** shall mean an audit conducted under the Government Accountability Office *Government Auditing Standards* (Yellow Book) or the Institute of Internal Auditors *International Professional Practices Framework* (Red Book).
- d. **Certified Inspector General® Program** means the prescribed course of study offered by the Inspector General Institute® that focuses on executive-level training and results, upon successful completion, in the awarding of the designation Certified Inspector General®.
- e. **Certified Inspector General Auditor® Program** means the prescribed course of study offered by the Inspector General Institute® that focuses on auditing and results, upon successful completion, in the awarding of the designation Certified Inspector General Auditor®.
- f. **Certified Inspector General Inspector/Evaluator® Program** means the prescribed course of study offered by the Inspector General Institute® that focuses on inspections/evaluation and results, upon successful completion, in the awarding of the designation Certified Inspector General Inspector/Evaluator®.

- g. Certified Inspector General Investigator® Program** means the prescribed course of study offered by the Inspector General Institute® that focuses on investigations and results, upon successful completion, in the awarding of the designation Certified Inspector General Investigator®.
- h. Certified Inspector General Institute®** shall mean the individual and collectively prescribed programs of study offered by the Inspector General Institute® that results, upon successful completion, in the awarding of certification in the particular field of study.
- i. Inspection** shall mean the systematic and independent assessments of the design, implementation, and results of operations, programs, or policies. Inspection is synonymous with evaluation, review, and assessment.
- j. Inspector General** shall mean the individual appointed by a government authority to a position designated “Inspector General”; any individual appointed to direct an office with the title of “Office of the Inspector General”; or the head of any government agency with responsibilities and authority commensurate with those typically assigned to offices of inspectors general. The term shall include an “interim” or “acting” inspector general who has received such an appointment by a governmental authority.
- k. Inspector General (Military)** a Military Inspector General shall include the principal most senior Inspector General at the command, installation or higher headquarters.
- l. Legal Counsel** shall mean the senior-most bar-licensed legal counsel assigned to the Office of Inspector General and reporting directly to the Inspector General.
- m. Managing** shall mean managing or administering financial or management audits, investigations or inspections. The position must entail decision making authority with respect to the audits, investigations or inspections.
- n. Professional Certification Board** refers to the individuals appointed by the Association leadership to serve in the oversight and regulatory capacity over the Certified Inspector General Institute®.
- o. Relevant experience** shall mean professional-level experience directly related to the functions or duties associated with the particular field.
- p. Senior-level staff member** shall mean a senior level executive who reports directly to the Inspector General and who can stand in for the Inspector General during their absence who has earned a Bachelor’s degree from an accredited college or university; and has eight years of public sector experience performing or managing audits, investigations, inspections or directly related legal functions; and has at least three years’ experience as a senior-level staff member in an inspector general’s office with direct

responsibility managing financial or management audits, investigations, or inspections.

III. ADMINISTRATION

- a. The Professional Certification Board shall be responsible for, and oversee, the application and compliance of this policy.
- b. The Professional Certification Board shall possess decision-making and review authority in determining eligibility of applicants to each of the Certified Inspector General Institute® programs. Exceptions to this policy will be approved by the Association's President.
- c. Applicants to a Certified Inspector General Institute® shall be selected according to the eligibility requirements of the applicable program as set forth in this policy.
- d. The Professional Certification Board of the Association of Inspectors General shall make all decisions regarding interpretations of these requirements and determinations made pursuant to these requirements.
- e. The Professional Certification Board may require additional information or supplemental documentation prior to making a decision on the application. Failure to provide any requested information or documentation will result in the application being judged solely upon the available information or documents in the submitted application.
- f. Participants are required to be present for all blocks of instruction to be eligible to sit for the comprehensive examination.
- g. Participants are required to pass the comprehensive exit examination given the afternoon of the last day.
- h. If the participant does not attend all blocks of instruction or pass the exam, the applicant may sit in or audit the next Institute without a fee.

IV. BASIC ELIGIBILITY REQUIREMENTS TO ATTEND CERTIFIED INSPECTOR GENERAL INSTITUTE®

- a. To obtain a certification, those who attend the Institute® programs must currently be an employee of an established government office of Inspector General.
- b. To obtain continuing education, those who are employees of government organizations that perform similar functions of an office of Inspector General and share similar characteristics (e.g. independence) may be admitted to the Institute® on a space-available and case by case basis.

- i. Applicants must also meet the below criteria to be accepted into Institute® programs.
 - ii. Students in this category who successfully complete these courses will receive continuing education credits, but will not be permitted to take certification examinations.
 - iii. Students in this category will not receive Institute® certifications.
- c. To obtain continuing education and broaden one’s knowledge of Inspector General operations, an employee of an established government office of Inspector General may be admitted to other Institute® courses outside of one’s particular discipline on a space-available and case by case basis. For example, an auditor can apply to the Certified Inspector General Investigator® (CIGI) course.
- i. Students in this category who successfully complete these courses will receive continuing education credits, but will not be permitted to take certification examinations.
 - ii. Students in this category will **not** receive Institute® certification for this counterpart training.
